

Daniel Eichenberger, MD

Chief Executive Officer

Daniel J. Eichenberger, MD, President of Baptist Health Floyd, is board certified in both adult internal medicine and pediatrics. Dan began working at Baptist Health Floyd in 1978 in Environmental Services. He is a graduate of the University Of Louisville School of Medicine (1990), and completed his dual residency in Internal Medicine and Pediatrics (1994) there as well. He received his Masters of Business Administration in Health Care Management from Indiana Wesleyan University in 2013. Dan has been private practice at Physician Associates of Floyds Knobs since 1994. PAFK joined the Baptist Health Medical Group (formerly Floyd Memorial Medical Group) network in May of 2013.

Dan and his wife, Stephanie, have been married over 30 years and have four children, Daniel, Jacob, Sally, and Stuart, along with seven grandchildren. Stephanie is an R.N. working at Baptist Health Floyd Hospital and Health Services in the Outpatient Cardiovascular unit. Daniel Jr. is a college graduate, served in Iraq with the Marines and works in IT for a law firm. Jacob is a physician completing his fellowship at Vanderbilt in Medical Informatics. Sally is a college graduate who worked here in town as a paralegal and is currently a full-time mother; and, Stuart is an Air Force Academy graduate beginning his career as a pilot in the Air Force. Dan enjoys hunting, fishing and
