

Sue Christopher

Vice President of Human Resources and Development

Sue Christopher is Vice President of Human Resources and Development. She has been with Baptist Health Floyd since January 2015 and is responsible for organizational and associate development. She has been an HR practitioner for over 20 years.

Sue earned her bachelor's degree in human resources management from Notre Dame College of Ohio and holds a master's degree in organizational management. In addition, she holds a Professional in Human Resources (PHR) certification and SHRM-CP certification. Sue is an active member of the Society for Human Resources Management (SHRM), the American Society of Healthcare Human Resources Association (ASHHRA) and Southern Indiana SHRM.

She worked for HCA as a market leader for Overland Park Regional Hospital, and at College Park Family Care Center in Overland Park, Kan. as vice president of human resources.

Sue grew up in Eastlake, Ohio, near Cleveland, and moved to Southern Indiana from Overland Park, Kansas. Her passions outside of work are reading, jogging, being actively involved in her church and spending time with her family in Ohio as often as she can.
